We will see characters and dancing from *The Nutcracker* ballet.

Lobby

When I go in the building,
first I will see the lobby.

Lobby

There may be lots of people in the lobby.

I may have to wait for my parents to sign us in.

I may have to wait to use the bathroom.

I may have to wait to get a drink from
the drinking fountain.

Dance Studio

The dance class will be in a studio.

A studio is a room made for dancing with mirrors and a barre.

A barre looks like a fence against the mirrors.

Dance Studio

The studios also have a piano for music and chairs for resting.

Lots of Dancers

There will be lots of other people dancing with me in the dance class.

Crafts

There will be tables for crafts.

I can do a craft if I want to.

Someone can help me make a craft.

I may have to wait to do a craft.

Performance

We will watch a performance.

We will see dancers dancing to music.

The music may be loud.

People Watching

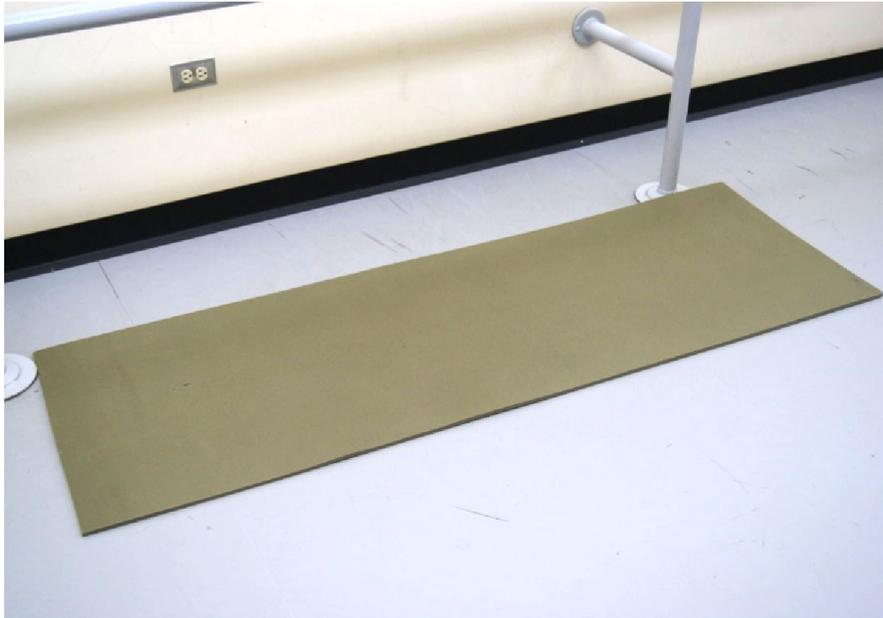

There will be lots of people watching the performance with me.

Pictures

I can have my picture taken with a dancer.
The dancer will be wearing a costume.

I can take a break if I need to. I can go to a quiet studio and sit on a mat or read a book.

I can dance with just a few people.

Friends

I can look for friends wearing blue shirts if I have any questions or need any help.
