PBT Studio Safety Guidelines: How to Return to Live Class
• Community Division students must complete the online health screening form within 2 hours prior to the start of the class for which the student is registered to attend. The form will be sent via email prior to class. This is the required method of screening for all Community Division students entering the building.

• Upon arrival, students will be required to show a PBT staff member the form confirmation email.
COMMUNITY DIVISION

• Students should arrive no more than 15 minutes prior to class.

• Students are required to park in the parking lot across the street. The parking lot adjacent to the building will be used for student drop-off and pick-up for Children’s and Student Division.

• Students should proceed directly to ramp and into entry vestibule for health check app verification and temperature screening.
• Students will wait on the front ramp prior to proceeding into the entry vestibule.
• When in the entry vestibule, students will be directed to a touchless temperature verification kiosk.

• Once approved (temperature not exceeding 100.4), they may proceed to enter the building.

• Students should be prepared to leave the building if their temperature is not approved.
Once building entry has been approved, students will be directed to the appropriate place.
Designated restrooms are available at a limited capacity of 2 students at a time.

We recommend that you use the restroom before coming to the studio and only use the restrooms at the studio in the case of an emergency.
• The second floor is off limits to all students.
• Dressing rooms will not be available for changing and all students should always come dressed from home.
• Students may only bring 1 personal bag to the building.

• Students may put their street shoes outside of the studio or in their personal bag.

• Students must wear a mask and bring one extra and a water bottle.

• Students entering the studio will first sanitize their hands before heading to their designated spots along the barre.
• Students will enter the studio and take their designated spot at the barre.

• Personal bag must be placed at their designated barre spot.
• At the end of class, students will sanitize the barre they used with wipes provided in the studios.
Artistic Director: Susan Jaffe | Co-Directors: Marjorie Grundvig and Dennis Marshall

PITTSBURGH BALLET THEATRE SCHOOL

We look forward to seeing you in the studio soon!
